

MARKETING · UPDATE

The last 3 weeks — and what's next

01.07.2026 · Marketing

Last 3 weeks — at a glance

- 01** Switzerland charity outreach — full funnel analysed, reviewing with Max today
- 02** Ambassador postings live — Reinhard on LinkedIn
- 03** Italy F2F founder campaign — learnings pulled
- 04** Company & social content — series kept running
- 05** Ad Quality Assurance — new review routine

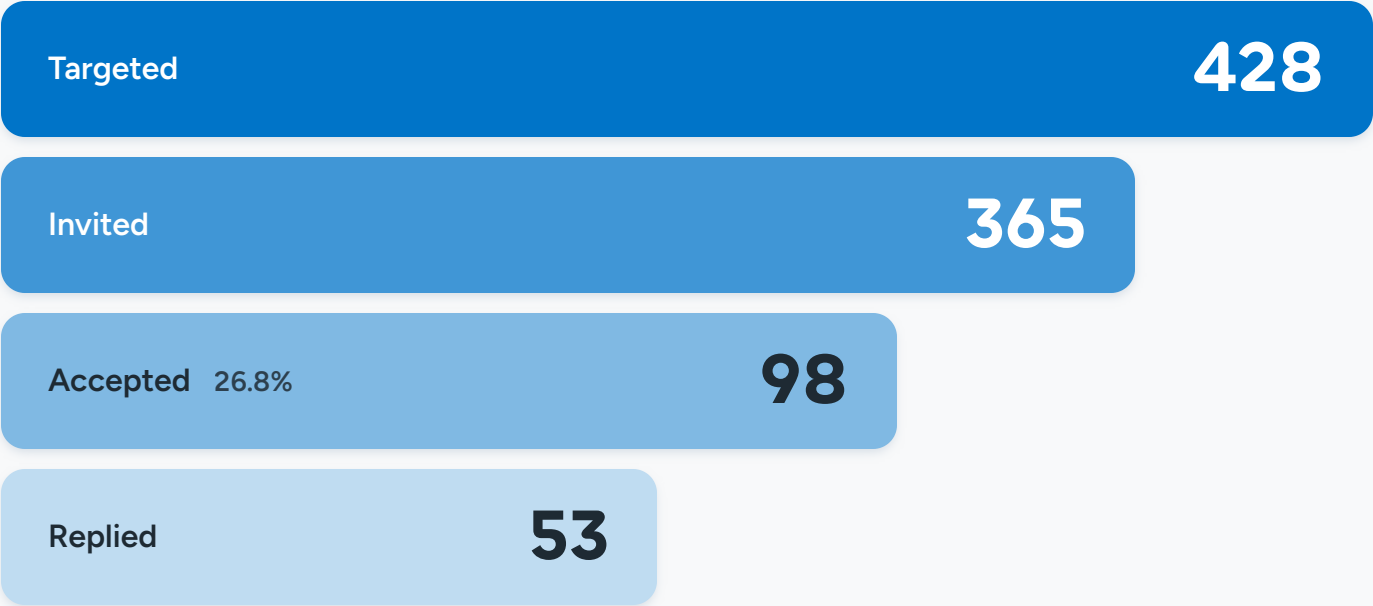

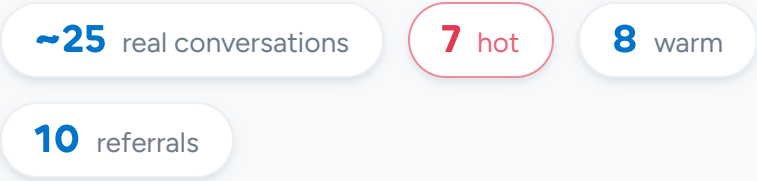

ALSO SHIPPED

- UK inhouse page started
- APP NPS newsletter sent
- Q2→Q3 OKRs
- SSOT + Klausur kicked off
- asset cleanup

The funnel

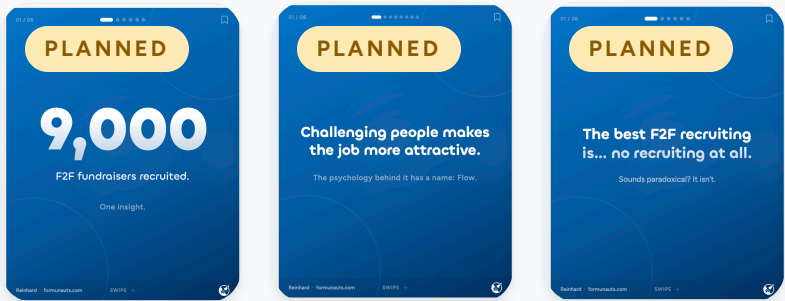

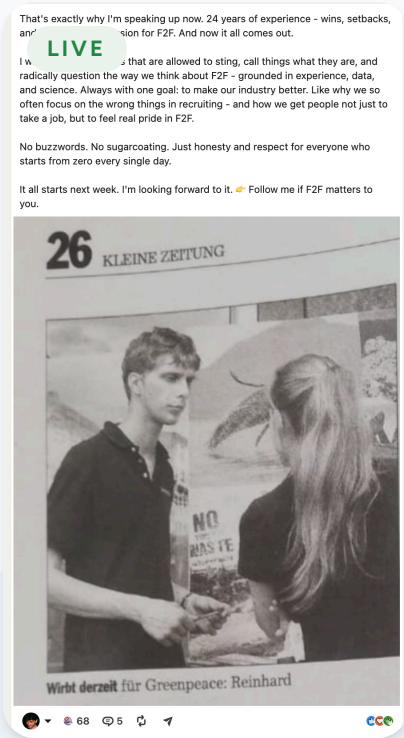

428 charities in, 53 real replies out — reviewing next steps with Max today.

Charities engaged this cycle. The blue ramp shows conversion at each step; hot leads flagged in red.

Reinhard is live

Intro post out, profile optimised, new post every Tuesday 09:30.

What we learned

| LinkedIn wasn't the right environment for founder recruiting

- Barbara business cards produced
- Indeed Smart CV set up
- Facebook group postings
- Collab check: Melandri & Zanella

Barbara's business cards

Front + back, print-ready.

Ad Quality Assurance

One analysis over all running ads — big picture plus optimisation tips.

1

Pull all running ads

every platform, one place

2

One holistic analysis

not dashboard-by-dashboard

3

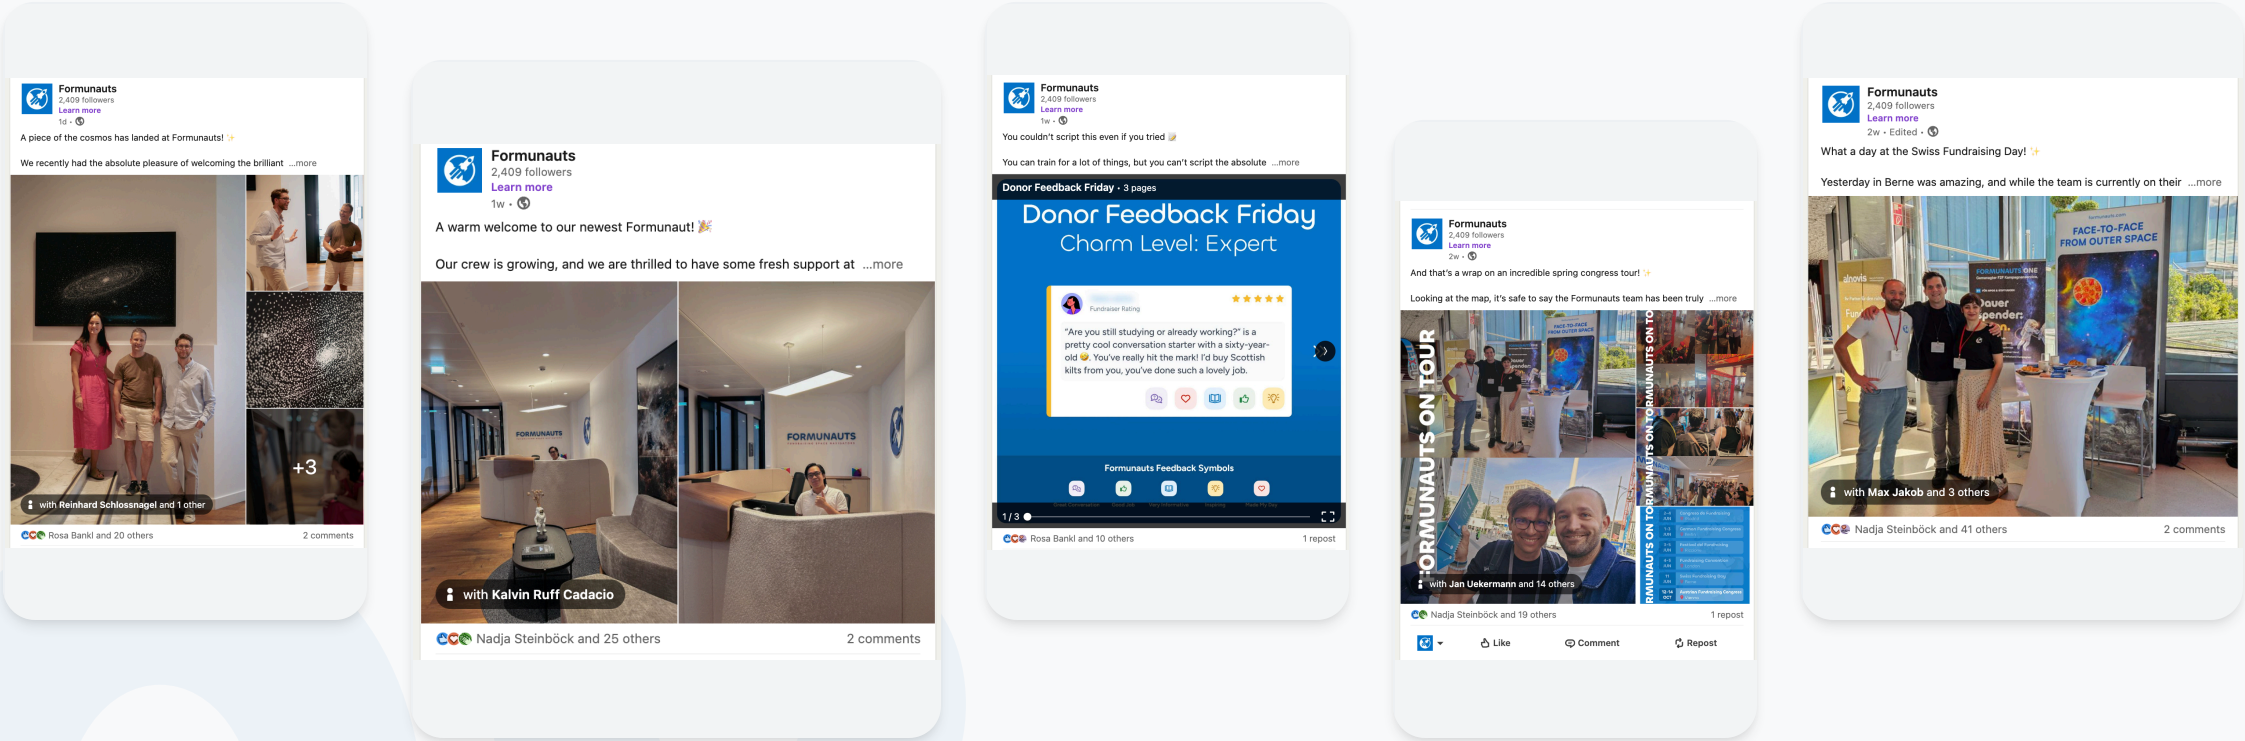

Optimisation tips

concrete & prioritised

first step toward automating ad reviews.

Keeping the channel alive

Company posts, the donor-feedback series, the congress tour.

Behind the scenes

STRATEGY & WEB

- Q2→Q3 OKRs done
- UK inhouse page started
- Key Value page in progress → website focus this sprint
- job-posting target groups set

DATA & OPS

- SSOT first steps with Elias (customer-first)
- Klausur kickoff done
- APP NPS newsletter sent
- asset cleanup underway

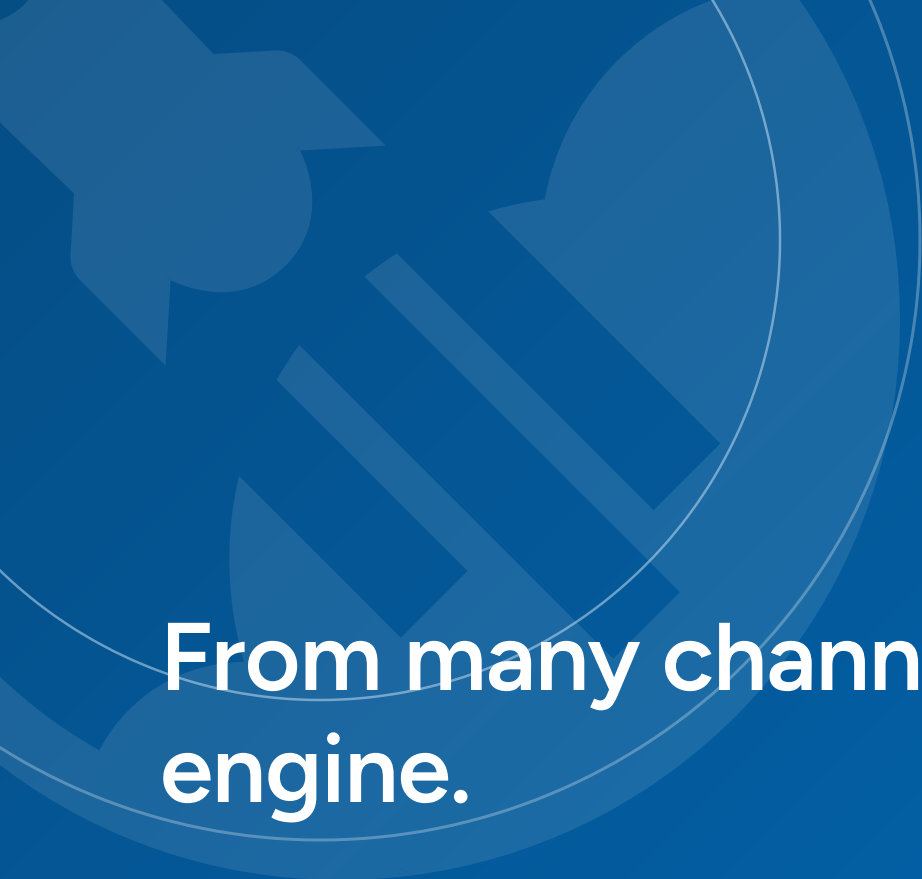

Next weeks & ongoing

● WEB · CAMPAIGNS · CONTENT

- UK webpage live
- Key Value page online
- adapt CH + Italy learnings
- ambassador content + boost postings
- CH email campaign (non-LinkedIn leads) + final outreach strategy

● DATA · OPS (ONGOING, Q3)

- SSOT concept — map where data lives (whole Q3)
- asset cleanup
- new camera in WEBB (~2 wks)
- ONE NPS newsletter
- pitchdeck knowledge transfer with CC
- more automation — ad reviews & A/B tests

**From many channels to one data-driven
engine.**

Thank you
